

LUPIN MEAL 17 Complete Ruminant Feed

Lupin Meal 17 is a product that is suitable feed for cattle, sheep, goats and alpacas.

Lupin Meal 17 is milled down to a meal that is extremely digestible, with very little waste in the digestion process. It can be fed to cattle, sheep and goats as a stand-alone feed, and can be fed to alpacas 50:50 or 75:25 of long hay:lupin meal 17 mix.

FEED TEST ANALYSIS		
Test	Method / Units	01-A
Moisture	Wet / %	7.4%
Dry Matter	Wet / %	92.6%
Crude Protein (N x 6.25)	Wet / % of Dry Matter	17.4%
DM Digestibility	Wet / % of Dry Matter	75.7%
Digestibility (DOMD)	Calculated / % of Dry Matter	74.9%
Fat	Wet / % of Dry Matter	3.6%
Metabolisable Energy	Calculated / MJ/kg DM	12.2
